Puggles® recognizes the learning ability of 2- and 3-year olds by introducing biblical precepts at church and equipping parents to teach them at home.

Cubbies celebrate the spiritual potential of preschoolers (3-5 Years old) by teaching them respect for God, His Son and His Word.

Sparks ignites the curiosity of K-5 thru 2<sup>nd</sup> grade kids to learn about the people and events of the Bible, building a foundation of wisdom for knowing Christ.

The T&T (Truth & Training) curriculum teaches 3<sup>rd</sup> – 5<sup>th</sup> grade kids the truth of God’s Word and trains them to follow Him and practice His grace.

This middle school 3-year curriculum wrestles with their questions:  
Who am I?  
Why am I here? Who’s with me?
