

Dear Church Family,

Even though the COVID-19 virus is causing us to navigate through some “uncharted waters,” we need to remember that our God has promised to carry us safely through to the other side! First Baptist Church of Ruskin wants to help in any possible way those who are unable or feel it unwise to leave their homes during this time. For example, if you need any assistance for the following:

Leaving your home to get your prescriptions
Leaving your home to get your groceries
Driving to and from your doctor

Please call the church office at 813.645.6439 to schedule any needed assistance outside your home. During this time our church family is here to help those who are either unable or uncomfortable leaving this home.

Even though we are not gathering together in person, God is giving us a great opportunity to spend time in His Word. God does not want us to fear; rather we are to trust Him in all circumstances. Dig into the Word, especially the Psalms, as they are full of God’s comforting promises of provision and care for His children.

The staff of First Baptist Church is here to serve you so please do not hesitate to call if you have a need for services outside your home.
