

OUR MISSION

Many of today's churches always seem to be following the current trends. At First Baptist Church of Ruskin, we believe that God wants us to present ageless truth, not the latest trends. We don't want to be old -fashioned, but rather we want to present the ageless story of God's love and grace to us through His son, Jesus Christ. We are so glad you have joined us today as we study God's precious Word.

This class will show that the Sea of Glass is the boundary of the universe and explain the scientific details of what it is and why it is there...all of which are specifically stated in the Bible. Within the confines of the Bible are found facts about the structure of the universe that scientists are just now discovering. The class will meet in Room 407 in the gym from 7-8 PM.

VICKtory SCHOOL FOR THE DEAF

Dear Praying Friends:

We send you greetings from Ethiopia, VICKtory School staff, our students, and me.

Our hearts are very sad yet happy. Last month our dear friend, Dr. Richard Vick, went to be with our Heavenly Father. Dr. Vick was loved in Ethiopia. My family has been so blessed because people like you are willing to sacrifice and help missionaries like Dr. Vick and his dear wife Joyce come to a foreign country like Ethiopia and give us the opportunity to trust the Lord as our personal Savior. Many souls will one day thank you for giving to the Lord because their lives were forever changed.

Things here are not much better than in other parts of the world. Our school remains closed under Government Orders. We are still providing school materials to our students so they won't fall behind in their studies. However, the Government has put more financial responsibilities on our school by making us do the same as all Government Schools. Please join us in prayer as we are short about \$600/month on our budget. Nevertheless, I know God will take care of us and supply our needs as He has always done.

Bro. Travis Dykes is taking care of our buildings and making repairs while the students are not in the classroom. Pray for Him as he meets with contractors and builders. We are so thankful that the Lord has sent Bro. Travis and Mimi to help us reach those who have not trusted the Lord as their personal Savior. We are so thankful that even during these hard days we are still seeing the deaf taught and trusting the Lord as their Savior.

If we never meet you on this earth, we know we will in Heaven, and then we can let you know what a blessing you have been to all these deaf boys and girls. We have taught hundreds of deaf their language and then taught them the Bible and given them the opportunity to trust the Lord as their Savior. This could not have been done without your help. We thank the Lord for your prayers and your faithful support.

In Christ,
Gomeju Tafesse
