March 7th, 2021 PRAYER REQUESTS

REBECCA WELSH-JAQUES (non-member) This is Ron and Donna Welsh's daughter who had gallbladder and hernia surgery this past week. During the surgery, the doctors discovered cysts in her kidneys and nodules on her lungs. She is recuperating at her parents' home, but in two weeks she will have an MRI so the doctors can set a treatment course for the other problems. She is currently in a great deal of pain and really needs our prayers.

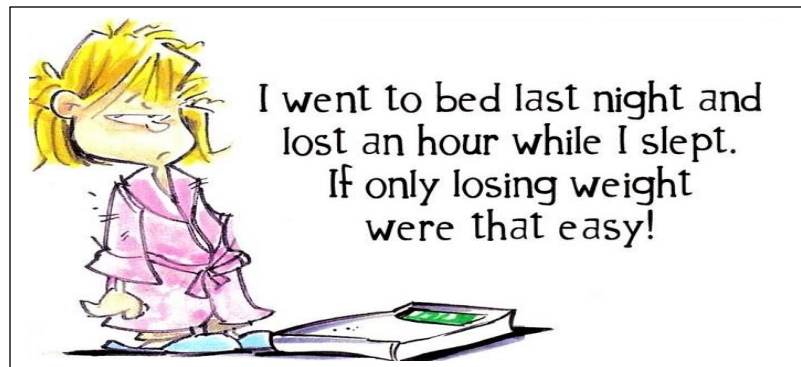

JIM SHORT – (member) Jim had back surgery on February 17th and is now in Rehab at Plaza West. Pray for relief from pain.

LES TAYLOR –(member) Les, who is a church office staff member, is having some medical issues. He is waiting to have surgery as soon as possible. Pray for an early date for surgery and a successful procedure and recovery.

MICHAEL SEARS- (non-member) Michael has been attending our JAIA Class for several years now. After having several seizures last Monday night, he was admitted to South Bay Hospital where he was also diagnosed with COVID. Keep Michael in your prayers.

We are changing the format for this page. Each week we will feature new additions or vital updates of our members or non-members with more specific information about the prayer request. Non-member prayer requests will then be moved to a newly formatted "PRAYER WARRIORS" sheet available in the foyer. Please remember to keep the office informed of any changes to your requests.

OUR MISSIONARIES TO SOUTH AFRICA

Our Plans...God's Plans...His Sweetness!

Our plan was to finish with our visa paperwork, enjoy Christmas with the family, and return to South Africa on January 16th.

God's plan was for Hope to test positive for COVID two days before our booked return and for me to test positive the following week. Three weeks in quarantine wasn't so bad. Good thing I love my wife!

God's plan was for our return to be additionally blocked by COVID variants, travel bans and nationwide lockdowns.

God's plan has been sweet! I was able to participate in our son's doctrinal examination and then preach his ordination message in early January. We've rested and been loved on by others, but also kept busy and grew a new ministry. The best is yet to come because in a few weeks we will be here, in person, to welcome our first grandchild into the family. Don't you love it when a plan... **HIS PLAN**...comes together. Thank you, Lord!

For now, our plan to return is to reassess in April. Until then, we will continue our weekly ministries remotely, serve our supporting churches locally, meet with pastors and donors, pray and plan for future ministry, take care of ourselves spiritually and physically, and love on our kids and our soon-to-arrive grandson.

In all honesty, we are grateful **God's plan** superseded our plan. He knew we needed time to refresh our souls, to seek counsel, to grow, to laugh, and to rest IN and ON Him. On a deeply personal level, we vulnerably confess that Hope and I returned to the USA heavy-hearted, emotionally depleted, doubting ourselves and battling a great deal of discouragement...**but God!**

Weary as we were and with no announcement of our condition, we returned to a church-provided Mission house fully decorated for Christmas with gifts stacked on a table and countless meals. Our Mission administrator and his wife flew down to listen and guide our hearts for 2 days. We didn't publicly share our struggles...**BUT God knew** ... and God provided.

Please pray for the country and calling we love! Pray for wisdom and clarity in regards to the timing to return. We are honored and humbled to serve.

JIM AND HOPE SMITH
